Teaching Children in Sunday School

We are getting ready for the fall and are looking for people who love God, love children and want to lay wonderful foundations of faith in their lives. Hear what some of our preschool teachers are saying about their experience in teaching preschoolers in Sunday School:

Teaching preschoolers at Calvary allows me a chance to see children develop a love for Bible stories and grow into lifelong followers of Christ!

It's exciting to see children taught in our department grow up to accept Christ and become future leaders in our church.—Betsy

Last year, I felt called to teach because

I was ready to get involved with the church family, and what I've discovered is true joy in teaching 4 year olds! I love their honest and open thoughts about who God is and what He means to them. I would be remiss if I didn't say that they can be quite hilarious, too.! Lastly, I love weekly reminders of the most basic, but most important, lessons of the Bible. It keeps me grounded—Mindy

Here are places where you can serve:

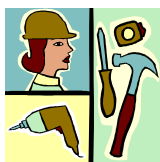

Three Year—Leader and Teacher

Kindergarten—Leader and 2 Teachers

Second Grade—Teacher

Preteen (6th Grade) - 1 or 2 Teachers

Please pray about how God could use you to affect the life of a child or young person this year. Email carriebeth@calvarybaptistchurch.com with questions or to set-up a time for a visit.
